## OPEN HOUSE

**David Bourne and the Contract Negotiators will be in attendance at Local 856 to distribute Kool-aid and other items intended to fool you into voting for the Crappy Contract they have presented to the Membership for a vote.**

**As Teamsters, we have found it much easier to gang up on members one at a time rather than have an open forum where we tend to make fools of our selves.**

**We intend to get our hands on your 401k matching funds and medical insurance funds and put it in IBT coffers at any cost.**

**We know better what to do with your money than you do. The sooner you understand this the sooner you will find comfort in trusting the IBT with your future.**
