BULLETIN BOARD

As a result of the recently signed bargaining Agreement with retroactive wage increases from January 2009 & July 2010 and bonuses, which affects union dues rates, the union dues rates will be adjusted in accordance with Local 964 Bylaws & the International Brotherhood of Teamsters Constitution (dues shall be adjusted to become effective the first day of the second calendar month in which the increase is implemented).

Retroactive amounts will not be charged until all the data is available but the current dues rate in effect as of January 1, 2011, is as follows:

\$11.01/hr. - \$15.00 = \$41

\$15.01 - \$20.00 = \$53

\$20.01/hr. - \$25.00 = \$66

\$25.01 AND UP = \$86

Please keep in mind that dues rates have not been adjusted since 2005, even though contractual raises were restored through the years.

The back dues from March 1, 2009, and September 1, 2010 along with the bonus computation will be spread over twelve monthly installments.

Fraternally yours,

TEAMSTERS LOCAL UNION NO. 964
